

E-Registration

E-Registration must be completed every year.

- This ensures accurate contact and emergency contact information for your student.
- **Permissions must be completed every year.** Without this, your student will not be able to go on field trips, etc.
- Medical information must be current and accurate.
- The school fee waiver, if eligible for free/reduced lunch, is now included on the Permission page. This **MUST** be checked for fees to be waived.

To complete E-Registration:

Go to: <https://pscr.gwaea.org/public/> (or access the link on the McKinley website). Log into your parent account. If you do not remember your username, call the McKinley office @ 558-2348. If you do not remember your password, click on “Having trouble logging in?” or call the office. We do not have access to your password but can assign a new temporary one.

***** If you do not yet have a parent account in PowerSchool, contact the office. You will need some access information for your student(s).**

Once you are logged in, click on “E-Registration” on the left side of the screen. Check all information for accuracy. Make any corrections on the right hand side. You must save at the bottom of each page before moving to the next page, even if changes are not needed.

Be sure to complete all the pages until you are prompted that “*E-Registration has been completed for (student’s name)*”. E-Registration must be completed for each student.

If you have any questions or problems, please call us @ 558-2348.

If you do not have access to a computer or the internet, you may come to the Main Office and we will assist you. Computers and assistance will also be available (4:00 – 7:00 PM) during the Open House on Monday, August 21.

THANK YOU!
