April 2018

Track meets: Please bring a sack lunch or money to purchase food after you run. Meets can run into the early evening. Use the buddy system to watch your sweats while you are running. Always be focused on the meet, cheer for your teammates, and be ready to compete (stretched, warmed up for your events).

Please Note:

Concessions are not available at home track meets (Washington HS track) and may not be available at some away meets. It is recommended that you bring something to snack on.
